Smaller Series Ocean Liner Prints:

These subjects are Limited Editions of 750 prints, numbered and signed by the artist. They are printed on a heavy grade, high quality smooth matt paper, and are presented ready to frame, in a textured, cream coloured window mount, (USA-'mat'), with hardboard backing, and wrapped in clear film.

Mount dimension: 17½" x 10" (445 x 254mm). Image area: 13" x 5½" (330 x 140mm).

** - If a title is marked like this with double asterisks, and printed bold, then just 75 copies from the total of 750 have been produced as larger 'Special Editions'. Not all pictures have been treated this way because the original painting may have been smaller, and would not have given a good enough result.
